About Intervention

Intervention in the Commission's proceedings on LPSCO's financing applications

shall be permitted to any person entitled by law to intervene and having a direct substantial interest in this matter. Persons desiring to intervene must file a Motion to Intervene with the Commission which must be served upon LPSCO and which, at minimum, shall contain the following information:

1. The name, address and telephone number of the proposed intervenor and of any person upon whom service of documents is to be made if different than the intervenor.

2. A short statement of the proposed intervenor's interest in the proceeding.

3. Whether the proposed intervenor desires a formal evidentiary hearing on the application and the reasons for such a hearing.

4. A statement certifying that a copy of the Motion to Intervene has been mailed to LPSCO.

The granting of Motions to Intervene shall be governed by A.A.C. R14-3-105, except that **all Motions to Intervene must be filed on, or before, March 15, 2010.** For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/intervenor.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.

If you have any questions about the financing applications, you may contact the Company at Liberty Water, c/o Greg Sorensen, 12725 W. Indian School Road, Suite D-101, Avondale, AZ 85392, (623) 935-9367.
